

Wednesday 27th November 2019

0730	Registration opens	
0950-1300	Welcome from the SVT President Dominic Foy Diabetic Foot Study Session Chairs: Lee Smith and Sara Causley Professor Mike Edmonds, Professor of Diabetology, Kings College Hospital, London. Mr Hisham Rasheed, Consultant Vascular Surgeon, Kings College Hospital, London. Mr Gary Mabbutt MBE, Diabetes UK Vice President. Mr Ben Freedman AVS, Clinical Scientist; Head of service for Vascular Laboratory, Kings College Hospital, London. Mr Naseer Ahmad Consultant Vascular Surgeon, Honorary Senior Lecturer, Manchester University Foundation Trust Live Scanning/ Hands on Session	Exchange 9
1300-1400	Lunch and Exhibition	Exhibition Hall
1400-1500	Student Research Papers Chairs: Lynne McRae and Kamran Modaresi OT1 - A thematic analysis of patients' experience of life with AAA - Miss Sophie Henry, University Hospitals Bristol NHS Foundation Trust OT2 - An observational, cross-sectional study to determine whether the future cardiovascular disease (CVD) risk of Phenylketonuria (PKU) patients on a low phenylalanine treatment diet (LPD) is significantly different from a healthy control population, as assessed by carotid intima-media thickness (CIMT)) measurements – Mr Sam Dicken, Guy's and St Thomas' NHS Foundation Trust OT3 - Does radiofrequency ablation of the greater saphenous vein treat deep vein incompetence at common femoral vein level? – Tamara Walcott-dhainy, Kings College Hospital OT4 - uSInG ultrasouNd to meAsure arteriovenous graft vein wall thickness (SIGNAL study) – Carly Kingdon, Portsmouth Hospitals Trust	Exchange 9

	<p><i>OT5 - Does the absence of complete collateral pathways in the hand, as determined indirectly by Duplex ultrasound, increase the likelihood of haemodialysis access-induced distal ischemia (HAIDI) symptoms? – Mr Matthew Gawel, Gloucestershire Hospitals NHS Foundation Trust</i></p> <p><i>OT6 - Venous Outflow Changes in patients undergoing Deep Venous Iliofemoral Recanalisation – Miss Katherine Chamberlin, Nottingham University Hospitals NHS Trust</i></p>	
1500-1530	Coffee and Exhibition	<i>Exhibition Hall</i>
1530-1600	<p>Kinmonth Lecture Chair: Cliff Shearman, Louis Fligelstone and Chris Imray</p> <p><i>The current status of EVAR- Two decades of daydreams and nightmares – Prof Jan Blankensteijn, Amsterdam</i></p>	<i>Exchange Auditorium</i>
1600-1700	<p>Challenging cases in the Ultimate MDT Chair: Keith Jones and Rick Gibbs</p> <p>Panel Keith Jones, Vascular Surgery Rick Gibbs, Vascular Surgery Paul Scott, Interventional Radiology Louise Allen, Society of Vascular Nurses Lee Smith, Vascular Scientist</p>	<i>Exchange Auditorium</i>
1700-1800	SVT Heads of Servicing Meeting	<i>Exchange 9</i>
1800-2000	Welcome Reception	<i>Exhibition Hall</i>
1930	SVT Drinks Reception , venue tbc	

Thursday 28th November 2019

0730	Registration opens	
0850-1030	<p>Welcome from the SVT President Dominic Foy</p> <p>Completed Research Papers Chairs: Sara Causley and Heather Anderson</p> <p><i>OT8 - A Thematic Analysis of Patient Experience and Outcomes of Venous Stenting for Occlusive Iliofemoral DVT- Miss Rebecca Harris, University Hospitals Bristol NHS Foundation Trust</i></p> <p><i>OT9 - The value of hand-held Doppler with visual trace in interpreting challenging ankle brachial pressure index assessments - Miss Rebecca Myers, University Hospitals Bristol</i></p> <p><i>OT10 - Outcomes of calf deep vein thromboses not treated with anticoagulants: a pilot study - Miss Alexandra Webb, University Hospitals Bristol</i></p> <p><i>OT11 - Duplex surveillance evaluation and predictive criteria for threatened ultra-distal grafts - Dr Nida Nadeem, King's College Hospital London</i></p> <p><i>OT12 - Three-Dimensional Ultrasound: The Future of Abdominal Aortic Aneurysm Surveillance? - Mr Ben Warner-Michel, Oxford University Hospitals NHS Foundation Trust</i></p> <p><i>OT13 - Diagnostic accuracy of non-invasive screening tests relative to duplex ultrasound in the diagnosis of peripheral arterial disease in people with diabetes – Miss Emily Fisher, King's College Hospital</i></p>	<i>Exchange 9</i>

1030-1100	Coffee and Exhibition	<i>Exhibition Hall</i>
1100-1130	Guest Speaker Chairs: Kamran Modaresi and Emma Waldegrave <i>New Developments in Vascular Access</i> - Paul Gibbs, Consultant Vascular and Transplant Surgeon, Wessex Kidney Centre, QAH	<i>Exchange 9</i>
1130-1215	Scientific Case Papers Chairs: Kamran Modaresi and Emma Waldegrave <i>OT14 - Carotid Doppler Ultrasound service 10 years on</i> – Mrs Anne Wilcox, University Hospital Aintree <i>OT15 - High intensity focused ultrasound for varicose vein treatment - a vascular scientist's perspective from both ends of the bed</i> – Mrs Rachel Walker, The Whiteley Clinic <i>OT16 - Incidental finding of bilateral Persistant Iliac Artery</i> – Mrs Lynne Mcrae, ABUHB	<i>Exchange 9</i>
1215-1300	Society for Vascular Technology Annual General Meeting Chairs: Dominc Foy, Lee Smith and Sara Causley	<i>Exchange 9</i> SVT Trainee Breakout Session Chairs: TBC <i>Exchange 10</i>
1300-1400	Lunch and Exhibition	<i>Exhibition Hall</i>
1400-1515	Scientific Case Papers Chairs: Daniela Bond-Collins and Ben Freedman <i>OT17 - Analysis of carotid referral practice at a Hyperacute Stroke Unit (HASU)</i> – Mr Aaron Goh, Northwick Park Hospital <i>OT18 - Imaging potential autologous grafts for bypass using tomographic 3-D ultrasound</i> – Dr Steven Rogers, University Of Manchester <i>OT19 - Predictors of clinically significant type 2 endoleaks following endovascular repair of aortic aneurysms (EVAR) using novel duplex ultrasound criteria</i> – Mr Luke Smith - Guy's & St Thomas' NHS Foundation Trust <i>OT20 - The role of ultrasound and the vascular technologist in high intensity focused ultrasound (HIFU) treatment for venous incompetence</i> – Mrs Angie White, The Whiteley Clinic <i>OT21 - A retrospective analysis of carotid intima-media thickness (CIMT), a simple ultrasound measurement for assessing cardiovascular disease (CVD) risk: recommendations for age-related guidelines in the older population</i> – Mr Adam Geale, Guy's and St Thomas' NHS Foundation Trust	<i>Exchange 9</i>
1515-1530	Coffee and Exhibition	<i>Exhibition Hall</i>
1530-1600	Jackie Walton Lecture Chairs: Lynne McRae and Lee Smith <i>Jackie Walton Lecture: Treatment choices for a patient with an asymptomatic carotid stenosis in 2019</i> - Richard Bulbulia, Consultant Vascular Surgeon, Cheltenham, Research Fellow, University of Oxford	<i>Exchange 9</i>
1600-1630	Final Session Chairs: Dominic Foy and Lee Smith <i>Prize winners</i> <i>New Executive Committee and Closing Statements</i>	<i>Exchange 9</i>

1930-0000	Vascular Society Gala Dinner
