

# The Multidisciplinary, Orthopaedic and Vascular Reconstruction of the Charcot Foot

## Day 1 (24 June 2019) Ashes Suite & Jardine Suite

08:00	Registration Desk Open	
09:00-09:10	<b>Introduction. V. Kavarthapu, M. Edmonds, H. Rashid, B. Sumpio</b>	
09:10-11:00	<b>Session 1. Multi-Disciplinary Diabetic Foot Care</b> <b>Chairs: V. Kavarthapu, M. Edmonds, H. Rashid, B. Sumpio</b>	Speaker
09.10-09.20	Natural History of Diabetic Foot	Michael Edmonds, UK
09.20-09.30	Role of an Orthopaedic Surgeon in a Multi-disciplinary Set-up	Venu Kavarthapu, UK
09.30-09.40	Role of Revascularisation in a Diabetic Foot	Hisham Rashid, UK
09.40-09.50	The Role of a Podiatric Surgeon in the Management of Diabetic Foot	Peter Blume USA
09.50-10.00	Current Advances in the Radiology of Diabetic Foot	David Elias, UK
10.00-10.10	Practical Aspects of Diabetic Foot Care	Maureen Bates, UK
10.10-10.30	Panel discussion	
10:30-11:00	Coffee and exhibition- Jardine Suite	
11:00-13:00	<b>Session 2. Management of Diabetic Foot Infections</b> <b>Chairs: Prash Vas, Ines Reichert</b>	Speaker
11.00-11.15	The Microbiology of The Diabetic Foot Infections	Surabhi Taori, UK
11.15-11.25	Role of Bone Biopsies in the Diagnosis of Chronic Infections	Prashant Vas, UK
11.25-11.35	The Antibiotic Prescription Principles in Diabetic Foot Infections	Chris Manu, UK
11.35-11.45	Digital Technology in Diabetic Foot Monitoring	
11.45-12.00	The Diabetic Foot Attack- The Surgical Principles	Raju Ahluwalia, UK
12.00-12.15	Osteoclast Activity and Ceramics	Nina Petrova, UK
12.15-12.40	Panel discussion	
12:40-13:45	Lunch and exhibition- Jardine Suite	
13:45-14.30	<b>Industry Satellite Symposium 1-</b>	
14:30-16:00	<b>Session 3. Amputations and Rehabilitation</b> <b>Chair: Chris Manu, Raju Ahluwalia</b>	Speaker
14.30-14.40	Peri-operative Medical Optimisation of a Diabetic Patient	Prashant Vas, UK
14.40-14.55	Principles of Amputation in a Patient With Diabetes	Bauer Sumpio, USA
14.55-15.05	Minor Amputation Techniques in the Diabetic Foot	Peter Blume, USA
15.05-15.20	Major Amputation Techniques in the Diabetic Foot	Chris Attinger, USA
15.20-15.30	Modern and Emerging Orthotics for a Deformed Diabetic Foot	Christian Pankhurst, UK
15.30-15.40	Post-operative In-Patient Care of a Diabetic Patient	Jennifer/Daina, UK
15.40-15.55	Panel discussion	
15:55-16:25	Coffee and exhibition- Jardine Suite	

16:25-18:10	<b>Session 4. Plastic and Reconstructive Surgery in a Diabetic Foot</b> <b>Chairs: Nav Cavale, Chris Attinger</b>	Speaker
16.25-16.40	The Spectrum of Plastic Surgical Procedures in a Diabetic Foot	E. Fitzgerald O'Connor, UK
16.40-16.55	Local Random And Muscle Flaps in Diabetic Feet	Christopher Attinger, USA
16.55-17.10	Modern Skin Graft alternatives in a Diabetic Foot	Naveen Cavale, UK
17.10-17.25	Microsurgical Free Flaps in a Diabetic Foot	Christopher Attinger, USA
17.25-17.40	Revascularisation Prior to Plastic Surgical Reconstruction	Bauer Sumpio, USA
17.40-17.55	Reconstruction of an Acute Deformed Charcot Foot	Venu Kavarthapu, UK
17.55-18.10	Panel discussion and closure	

## Day 2 (25 June 2019) Ashes Suite & Jardine Suite

8:00-09:30	<b>Session 5. Free Paper and Poster Presentation Session</b> <b>Chairs: Nina Petrova, Raju Ahluwalia, Prash Vas</b>
08.00-08.30	Top Posters Presentation. 3 mins each on two slides. 5 posters
08.30-09.30	Free Papers Session. 8 papers (5+2 each)
09:30-10:00	Coffee and exhibition- Jardine Suite

10:00-12:00	<b>Session 6. Advanced Techniques in Charcot Midfoot Reconstruction</b> <b>Chairs: Raju Ahluwalia, Ines Reichert</b>	Speaker
10.00-10.10	Our Approach to the Deformed Midfoot With Ulceration!	Chris Attinger, USA
10.10-10.20	The Outcomes in Charcot Foot Reconstructions	Dane Wukich, USA
10.20-10.30	Assessment and Surgical Planning of Charcot Midfoot Deformity	Venu Kavarthapu, UK
10.30-10.40	Pitfalls in Midfoot Reconstructions	Alex Wee, UK
10.40-10.50	Discussion	
10.50-11.05	External Fixator in Charcot Midfoot Deformity Correction	Karthik Hariharan, UK
11.05-11.20	Beaming techniques For Medial and Lateral Columns	Peter Blume, USA
11.20-11.35	Plating techniques For Medial and Lateral Columns	Raju Ahluwalia, UK
11.35-11.45	Discussion	
11.45-12.00	BOFAS Talk	
12:00-12:30	<b>Industry Satellite Symposium 2</b>	
12:30-13:30	Lunch and exhibition- Jardine Suite	

10:00-12:00	<b>Break Out Session 7. Advanced Techniques of Vascular Imaging of the Diabetic Foot, Including Below-knee &amp; Below-ankle.</b> <b>Pakistan Suite</b> <b>Chairs: Hisham Rashid, Bauer Sumpio</b>	Speaker
10.00-10.20	Non invasive imaging of below the ankle disease	Ben Freedman, UK
10.20-10.40	Diagnostic and interventional contrast optimization in patients with CLI	Hamid Mojiban, USA
10.40-11.00	CT and MRI angiography	Jason Wilkins, UK
11.00-11.20	Imaging in CLI: Beyond luminography	Hamid Mojiban, USA
11.20-11.40	Update on orthopaedic advances for the vascular specialist	Venu Kavarthapu, UK
11.40-12.00	Discussion	
12:00-12:30	<b>Industry Satellite Symposium 4</b>	
12:30-13:30	Lunch and exhibition- Jardine Suite	

10:00-12:00	<b>Break Out Session 8. Podiatric acute decision making and extended scope of practice workshops (part 1): Australia Room</b> <b>Chairs: Maureen Bates, Prash Vas</b>	Speaker
-------------	--	---------

10.00-10.10	The Extended Role of Diabetes specialist Podiatrist (Antibiotic Therapy, Bone Biopsy, Flexor Tenotomy)	Joanne Casey
10.10-10.40	How to target antibiotic therapy	M. Edmonds/ I. Alejandro/ M. Bates
10.40-11.00	Interpretation of MRI and X-Ray for Podiatrists	Lisa Meacock
11.00-11.30	Bone biopsy Theory & Flexor tentomy Theory	P. Vas/ N. Phyto/ J. Casey
11.30-12.30	Bone biopsy Workshop (1) & Flexor tentomy Workshop (2)	P. Vas/ N. Phyto/ J. Casey
12:30-13:30	Lunch and exhibition- Jardine Suite	

13:30-15:30	<b>Break Out Session 9. Advanced Techniques in Charcot Hindfoot Reconstruction</b> <b>Chairs: Raju Ahluwalia, Ines Reichert</b>	Speaker
-------------	--	---------

13.30-13.45	The Basics of Vascular Assessment and Interventions an Orthopaedist Should be Aware!	Hani Slim, UK
13.45-14.00	My Method of One Stage Hindfoot Reconstruction Using Internal Fixation!	Dane Wukich, USA
14.00-14.15	When I Do Hindfoot Reconstruction Using External Fixation?	Karthik Hariharan, UK
14.15-14.30	My Way of Two Stage Hindfoot Reconstruction Using Internal Fixation!	Ines Reichert, UK
14.30-14.45	How I Do Two Stage Hindfoot Reconstruction Using External Fixation?	Peter Blume, USA
14.45-15.00	Discussions	
12:00-12:30	<b>Industry Satellite Symposium 3</b>	
15.00-15.30	Coffee and exhibition- Jardine Suite	

13:30-15:30	<b>Session 10. Advanced Techniques of Revascularisation- Endovascular &amp; Arterial Bypass, Including Below-knee &amp; Below-ankle.</b> <b>Pakistan Suite</b> <b>Chairs: Bauer Sumpio, Hisham Rashid</b>	Speaker
-------------	---	---------

13.30-13.47	Value of pedal arch in CLI	Carlos Mena, USA
13.47-14.04	Endovascular techniques of revascularisation	Dean Huang, UK
14.04-14.21	Hybrid LE procedures	Robert Attaran, USA
14.21-14.38	Management of no option CLI	Hisham Rashid, UK
14.38-14.55	Management of the ischaemic Charcot foot	Hani Slim, UK
14.55-15.12	Management of mixed arterio-venous disease	Robert Attaran, USA
15.12-15.30	Discussions	
15.30-16.00	Coffee and exhibition- Jardine Suite	

<b>Break Out Session 11. Podiatric acute decision making and extended scope of practice workshops (part 2): Australia Room</b>		
<b>Chairs: Maureen Bates/ Chris Manu</b>		
13.30-15.30		Speaker
13.30-13.40	The Extended Role of Diabetes specialist Podiatrist (Vascular Assessment and Offloading)	Joanne Casey
13.40-14.00	Advanced wound care modalities	D. Walton/ J. Tremlett
14.00- 14.30	Distal Vascular Assessment Theory & Off-loading Theory	C.Manu/ B. Freedman/ I. Maharaj/ J. Lucas/ T. Jemmott/ W. Tang
14.30-15.30	Distal Vascular Assessment Workshop (1) & Off-loading Workshop (2)	C.Manu/ B. Freedman/ I. Maharaj/ J. Lucas/ T. Jemmott/ W. Tang
15.30-16.00	Coffee and exhibition- Jardine Suite	

<b>Session 10. Multidisciplinary, Orthopaedic and Vascular Management Chairs: V. Kavarthapu, M. Edmonds, B Sumpio</b>		
16:00-17:15		Ashes Suite
16.00-16.10	Our Outcomes of Charcot Foot Deformity Reconstructions	Venu Kavarthapu, UK
16.10-16.20	Our Outcomes of Diabetic Foot Vascular Reconstructions	Bauer Sumpio, USA
16.20-16.30	The Multidisciplinary Diabetic Foot Service	Michael Edmonds, UK
16.30-16.50	Panel Discussion	
16.50-17.00	Prizes, Closure
